

Revision of Fares - from Monday 27 March 2017

- Existing Single & Return fares will remain unchanged.
- Day tickets bought from the driver will increase from £1.30 to £1.35

Within the city where the child single fare is £0.80 there are multi-journey SmartLink cards that provide better value, whether using any of the Ulsterbus routes operating within the city - which includes most school services:

- 10 journey top-up: £5.50 - works out at £0.55 per single journey. Cards may be topped up by the driver. Any unused journeys can be carried on to another week.
- Unlimited Weekly City Travel: £5.00 - provides unlimited travel within the city for 7 days from date of top-up.
- Day Travel Card: Unlimited travel for a day within the city will reduce to £1.10

SmartLink fares require initial purchase of a SmartLink Card for £1.00 from Foyle Street Bus Station. Cards are not available from drivers, however cards may be topped up on board the bus.
