

## Participating within your lesson

### using Google Meet

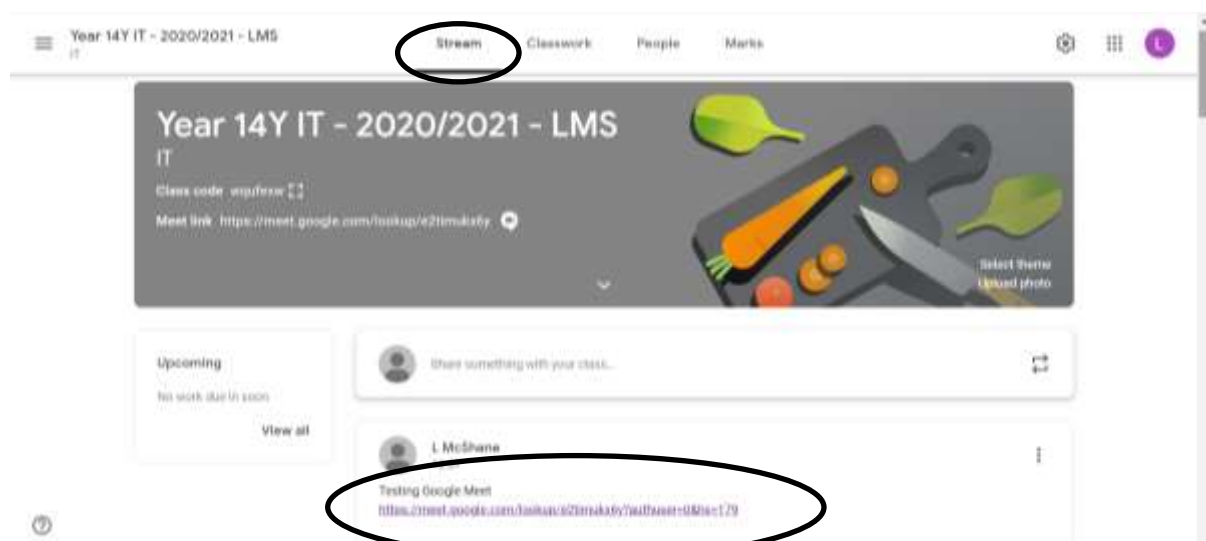

#### Etiquette:

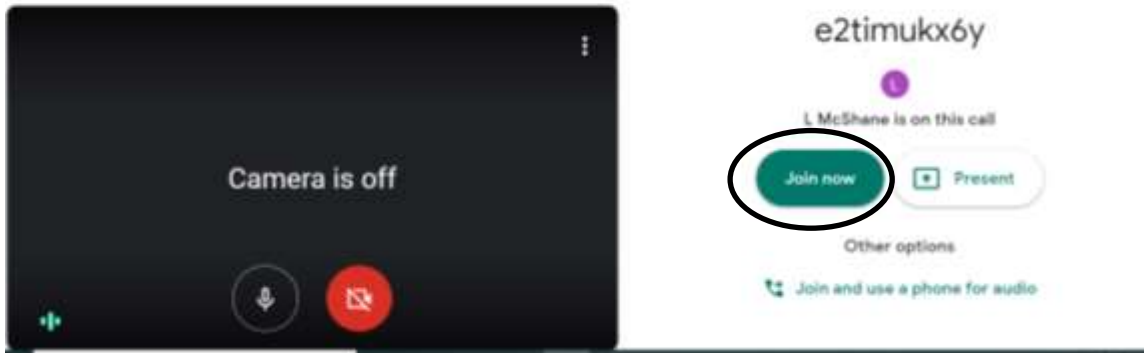

#### A few points to note:

- You should be using Google Chrome as your web browser.
- These notes will assume you are familiar with logging into a Google Classroom class.
- Your laptop/desktop computer should preferably have a webcam to communicate with your teacher.
- The chat feature can be used if do not have access to a webcam.
- As a Student you can join a Goggle Classroom Meet but not initiate one.
- Students can only join a Meet if the teacher has started the meeting.
- Students cannot re-join a Meet once a teacher has left the Meet.

**Step 1:** Join the meeting by clicking on the Google Meet link your teacher posted in the stream section of your Google Classroom:

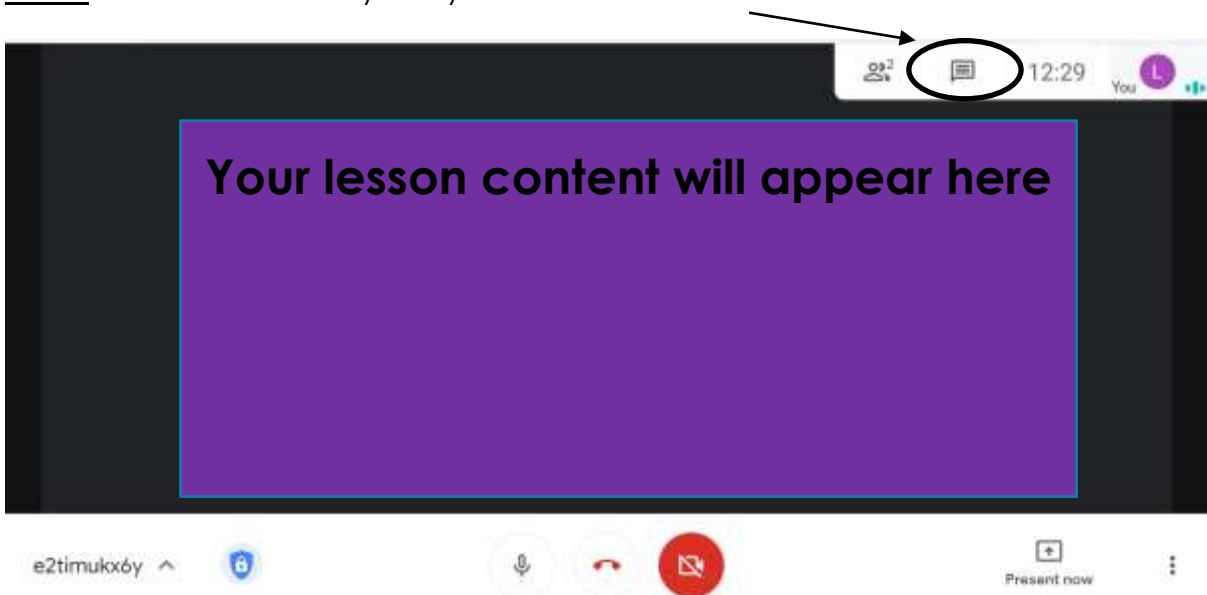

**Step 2:** the next step is to join the Google Meet by selecting the “Join Now” button shown below:

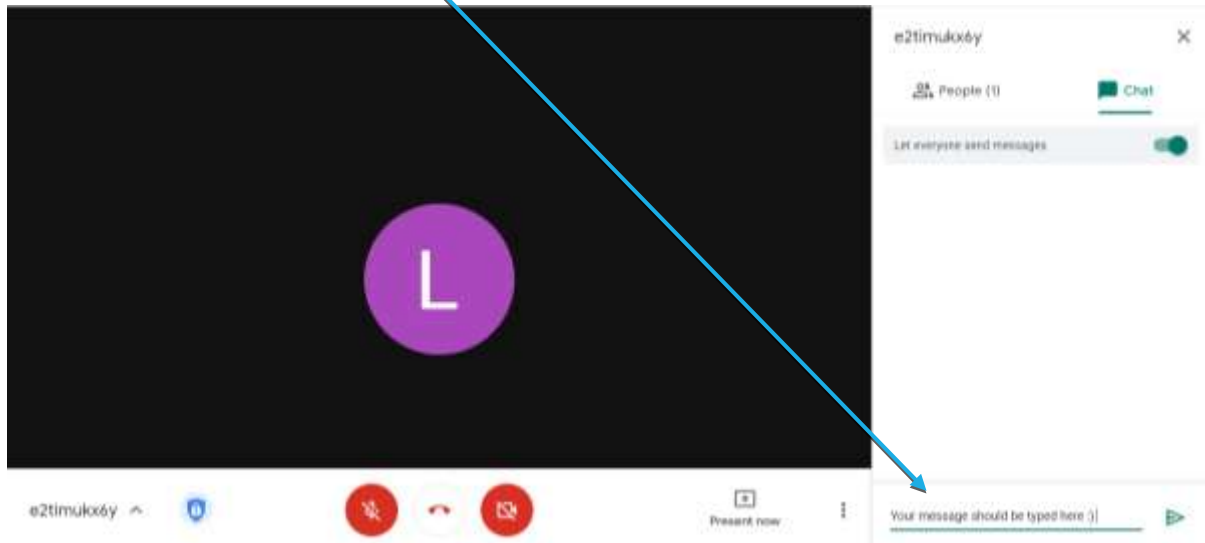

**Step 3:** Your lesson will appear in the screen identified below. This may take form of your teacher's PowerPoint presentation, the entire computer screen or your teacher may choose to appear in the Meeting:

**Note:** Your teacher may ask you to use the chat feature to communicate.
