

## A LEVEL

For students seeking an A level grade for the first time in Summer 2023, having sat AS unit(s) in 2022, the following applies:

- If at AS level you completed only the mandatory unit(s), you will receive an A level grade based on the uniform marks achieved in the mandatory AS unit(s) combined with all A2 units.
- If you completed all AS units in 2022 or across 2022 and 2023, you will receive an A level grade based on the uniform marks achieved in a) all AS units and all A2 units or b) the mandatory AS unit(s) and all A2 units – whichever is higher.

### A note on unit and qualification marks

If you notice that your **Final Uniform Marks** don't match the total of the **Uniform Marks** you achieved on your units, don't worry! It's because all students are graded out of the **same** uniform marks total in each qualification.

For example, if your best performance represents 70% of the uniform marks available in your completed unit(s), this will be converted to 70% of the maximum available for your overall qualification.

The examples below are for A Level History, where AS Unit 1 was the mandatory unit in 2022.

### Example 1 – Provisional Statement of Results

Note the student also entered AS Unit 2 (SHY2) in Summer 2022, scoring 33 uniform marks – this was not counted towards their final grade as shown below.

**A4014 AL History Cash-In**

**Final Uniform Marks 216.00**

**Grade B**

Module	Raw Mark	Max U.Mark	Uniform Mark	N.Grade	Year	Season	Used

All units	$46+33+52+75=206/300$ uniform marks (68.7%)	68.7% of total uniform mark of $300 = 206.00$	Grade C	✘
Mandatory AS + A2 units	$46+52+75=173/240$ uniform marks (72.1%)	72.1% of total uniform mark of $300 = 216.00$	Grade B	✔

Y indicates these are the units that were used in grading.
